

What is the California State Games?

California State Games is a statewide amateur sports festival that is part of a grass roots program of the U.S. Olympic Committee. The 2018 Games will host over 10,000 athletes competing in 23 sports in **San Diego July 12-15**. Wrestling is one of the sports and expects a large turn-out to vie for the Gold medals this summer. The State Games kicks off with an exciting Opening Ceremony where the athletes get to march on the field at SDCCU Stadium (Formerly Qualcomm Stadium) where 3 Super Bowls were played.

Wrestlers who win a medal at the 2018 California State Games will qualify for the 2019 State Games of America in Virginia!

Funded in part by the San Diego Tourism Marketing District Corp. with the City of San Diego Tourism Marketing District Assessment Funds.

California State Games is a 501(c)(3) corporation. The mission of the Games is to promote and nurture the health, education, and well being of residents by managing a high quality amateur sports event that encourages community participation and provides an Olympic experience.

OPENING CEREMONIES

Friday, July 13, 2018

Qualcomm Stadium

Celebrating 30 Years!

This is the night when every athlete is treated like an Olympian!

A spectacular night you will not want to miss! The Opening Ceremonies of the California State Games is an event when all athletes, parents, and coaches gather to share in the spectacle and pageantry of the Games.

Join 10,000 Athletes from 23 different sports as you enter SDCCU Stadium (Formerly Qualcomm Stadium) and parade onto the same field where **3 Super Bowls** have been played!

The night will end with torch runners, the lighting of the cauldron, and fireworks!
