

Rancho Bernardo Wrestling 10 Days of Giving

Calling All Alumni, Parents and Friends of the Program!!!!

The RBW 10 Days of Giving is Rancho Bernardo Wrestling's annual fundraising campaign that aims to encourage supporters and donors to come together as a community to positively impact Rancho Bernardo's Wrestling programs, and build upon an ever-growing Legacy of excellence.

Friends, Alumni, and parents,

We are reaching out to ask all a donation of \$25 or more to help fund the program! The constant rising cost of all is making operating hard and putting all the cost on parents or athlete fundraising is not the answer in my opinion!

We feel that if we did this once a year, then we will be able to keep up the program that has given so much to so many!

Any help is appreciated! Donate and Forward to a Friend!

Thank you for your continued Support,

Joe Eddie Terribilini

HEAD COACH/PROGRAM DIRECTOR
